### Materials:

Glass Shelf posts are constructed of zinc. Shelf is glass.

### Dimensions:

### Installation Instructions:

1. Remove the mounting post from the body by loosening the setscrew.
2. Position the mounting template on the wall in the desired location. Using a level, align the template and tape it to the wall.
3. Place each mounting post on the template.
4. One at a time, place each anchor screw through the mounting plate, centered in the large hole. Using a Phillips screwdriver, turn the anchor screw while applying pressure. Screw will self drill and tap into drywall.
5. Only insert screw 1/2 to 3/4 into wall.
6. After all screws are installed, tear the template away from the wall.
7. Tighten all 4 the screws. Do not over tighten.
8. Assemble glass to each post by unscrewing the top accent. Re-assemble with glass shelf between both washers and finish by screwing top accent back on.
9. Place each post over the mounting plate with setscrew down. Tighten both setscrews.

### Cleaning Instructions:

To preserve the fine finish of this product, clean only with a soft damp cloth. Dry well. Do not use commercial or abrasive cleaners.
